

# Fact, Question, Response

Use this worksheet to keep track of your thoughts as you listen to the audio story. In the "Fact" column, record interesting or useful factual information you learn about the topic. In the "Question" column, write questions that occur to you as you listen. Finally, in the "Response" column, make a list of responses to the story, either as they occur to you or in relation to one of the facts or questions you've listed.
